

## Stalbridge Community Information Office

Was conceived in 1997 as there was no **Police** Contact point in the Community and because of the distance to the **District** and **County** Council Offices. With the help of the **Dorset Police, North Dorset District Council & Dorset County Council**, the **Town Council** created a new concept in Community cooperation.

~~~~~  
The Office is run entirely by unpaid volunteers and provides a wide range of local and national information. **e.g** local **PLANNING** applications may be viewed here, also leaflets on **EDUCATION, BENEFITS, SOCIAL SERVICES, TIMETABLES** etc. If we do not have the literature you require in the Community Office, we will do our best to obtain the information or point you in the right direction, so do not hesitate to call in. All enquiries are treated in strict confidence.

There is a CAB advocate available (by prior appointment) every Tuesday morning in the C.O. for Consumer, Housing and Employment advice. They also specialize on Debt and Relationship Counselling.

### ~~~~~Monthly Police Surgery~~~~~

1st Wednesday of every month  
Stalbridge Home Beat Officer

or

**PCSO Sean Scolding**

Should be available at the Community Office  
between 10:30 and 11:30 am

*The Community Office is funded by the **Town Council**.*

***The Police Partnership Trust, The Countryside Agency and Signpost Housing Association have all supported us by supplying: -***

*IT equipment and furnishings.*

# Home Watch & Shop Watch

There is an active *Home Watch* system operating in Stalbridge. The supporting *HW* co-ordinators in the Town are connected to the Dorset Police RingMaster computer.

In addition, *Shop Watch* has been created, to monitor crimes committed in the High Street shops and to alert all shop owners of suspicious happenings.

*Shop Watch* is also connected to 'RingMaster'

## 'RingMaster' System

**R**ingMaster phone and e mail messages are sent to the Community Office and to the Stalbridge *HW* & *SW* Coordinators from the Dorset Police, whenever the Police believe there is information regarding crimes in our area, or other parts of Dorset, which may affect our Community.

The Coordinators pass the RingMaster messages, to their designated contacts, who in turn will pass the information to their immediate neighbours. For those who do not receive RingMaster, important items are displayed in the *HW* notice board outside Dikes old shop in Ring Street.
