3. To approve the minutes of the meeting - held on 12th October

RESOLVED: The minutes of the meeting having previously been circulated to Councillors were approved and signed by the Chairman.

It was agreed to take item 5 first pending Mr Lees arrival.

4. To receive an update on the current County council Library proposals. T Lee

T Lee advised members that arising from a motion to rescind the previous decision in July to close 9 libraries including Stalbridge, there would be a further vote on Thursday 10th November. Whilst Ad Lib members remained very active in their representation to keep the libraries open it was understood that the outcome may well remain the same as July. It was understood that the previous decision may have been made based on inaccurate information and Ad Lib had been working hard since July to make sure that this vote is based on valid statistics. Mr Lee further advised that there are lots of questions that remain outstanding in terms of running a community library and the timescales set are very tight to achieve transfer by the deadline set. He encouraged members to keep in mind the Community hub idea which ever way the vote went as there will be further cuts in the budget in two years time. K Garland thanked Mr Lee and all the Ad Lib members for their efforts.
