a. Meetings (full council and sub-committees)

It was understood that the 2020 act only provides for virtual meetings to happen up to the 7th May 2021, however the roadmap out of lock down does not permit meetings in person until 21st June 2021. The Clerk suggested a plan is to bring forward the Annual Council Meeting with a slimmed down essential business agenda to the 5th May as a virtual meeting and between 7th May and 21st June put in place a scheme of delegation to cover that precise period to allow the Clerk to conduct business for the council avoiding the need to meet under the prevailing social distancing measures. A scheme of delegation to be agreed at the last virtual meeting for the fixed period.

RESOLVED: The annual Town meeting to be held via Microsoft teams 05.05.21. Scheme of delegation to be agreed at the meeting to cover the period to the 21st June. In person meetings to resume after the 21st June held within the relevant government guidelines. Team appointed to consider future meeting arrangements S Waite, M Robinson, J Convoy

b. Services & expenditure

It was noted that street cleaning and grass cutting services remain operation. Expenditure remains the same as reported at the last meeting.

c. Buildings & land (playgrounds, public WC's & Hub including the community library)

The Clerk advised that since opening the public WC's at Station Rd there had been no issues. The Community Library has requested to re-open on the same reduced hours prior to the lock down from the 14th April. The Clerk requested a group of councillors to work with her on the Hub re-opening and meeting arrangements.
