

PROPOSED TEMPORARY ROAD CLOSURE OF BARROW HILL, STALBRIDGE

I have received an application from DK Eastment Groundworks Ltd, to close Barrow Hill, Stalbridge from Grove Lane, to outside The Royal British Legion Club, Barrow Hill, Stalbridge, a distance of approximately 30 metres. The closure has been requested to allow DK Eastment Groundworks Ltd to install a sewer connection within the highway. These works are programmed to commence from 10th September 2018 for 5 days with an end date of the 14th September 2018. The road closure is necessary for safety reasons, as the works will take place within the whole width of the carriageway.

DK Eastment Groundworks Ltd will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only. However, if you have any concerns about this proposal, please contact Tom Faulkner (trafficteam@dorsetcc.gov.uk) by the 31st August 2018.
