

PROPOSED TEMPORARY CLOSURE OF GOLD STREET, STALBRIDGE

I have received an application from Wessex Water to close Gold Street, Stalbridge from outside number Stapleford House, Gold Street to outside Snowdon House, Gold Street (in both directions), a distance of approximately 100 metres. The closure has been requested to allow Wessex Water to repair a sewer. These works are programmed to commence from 19th August 2019 until 23rd August 2019.

Wessex Water will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Tom Faulkner, (trafficteam@dorsetcouncil.gov.uk) by 31st July 2019.
