

## PROPOSED TEMPORARY SUSPENSION OF ON-STREET PARKING BAY, HIGH STREET, STALBRIDGE

I have received an application from Sherborne Property Services to suspend the temporary 30 minute waiting bay on the western side of High Street, Stalbridge, located from a point 26 metres south of its junction with Silk Barton House in a southerly direction for a distance of 11 metres.

The suspension of the on-street parking bay has been requested to allow unrestricted access for traffic on High Street whilst building works and scaffolding are in place on the former "Crown Inn" during renovation works.

It is proposed that the suspension of the parking bay will commence on Monday 12 November 2018 and will be in place until Saturday 09 February 2019.

Sherborne Property Services will publicise the temporary parking restriction by carrying out a letter drop to local residents directly affected by the works. The following map shows the approximate location of the on-street parking bay.

This document is for information only. However, if you have any concerns about this proposal, please contact John Alford (trafficteam@dorsetcc.gov.uk) as soon as possible.
