

# North Dorset District Council Relocation

## Why move?

The move is to a smaller, more economical building which will enable a more modern way of working.

## When?

Our new office will open to customers on 15 February from 10am. There will be some temporary service arrangements on 14 and 15 February while the move takes place. Our current building will close fully at 5pm on 14 February.

We will try to keep any disruption to a minimum and our staff will be available to help. Our phone lines will also remain open, you can call us anytime during normal working hours on 01258 454111. Alternatively you can visit [dorsetforyou.com](http://dorsetforyou.com).

## Where?

The Nordon Lodge is only a few metres away from our current office, next to Salisbury Road.

## What to expect

The Nordon Lodge has been re-designed internally to make it easy to use and accessible for all. You will be able to access a range of services using appointments or by attending one of our surgeries managed by a Duty Officer. You will also be able to access services digitally through touch-screen computers in our reception area and by telephone. A member of staff will be available to assist.

## What is happening to the main site?

We are in the process of selling the main site for housing development. The sale is conditional upon approval of an outline planning application. Upon approval of an outline application the developer will then be required to submit a detailed application for approval.
