## **PUBLIC NOTICE**

### **Advanced notice of consultation**

### **Potential Housing Development sites in Stalbridge**

It has come to the Town Councils attention that there are a number of potential housing development sites that have been identified in Stalbridge. The map below shows the sites in question marked hatched and outlined in brown.

Please note that all the outline proposals put forward to date are currently outside the development boundary of the town and therefore would need to be included in the revised Local Plan to become viable.

In order to facilitate public input the Town Council will be holding consultation event/s where there will be an opportunity to view the plans and speak with members of the Planning and Open Spaces Advisory Group.

When the dates for the event/s are set there will be further information published.

In the mean time we advise that the Town Council Office will not be available to receive questions / comments on this subject.
