Dear Mark

To apply for a grant from the council I need a total number for the whole year.

I think that you are proposing to charge £150 for some months and £650 for other months.

Will this be:

3 x £150 = £450
9 x £650 = £5,850
Total = £6,300?

Regards
Simon

Hi Simon

Thanks very much for that, there's a lot to do but I enjoy it.

Last year I did limited visits through the winter so it was £150 a month.

I won't put my monthly bill up next year.

Derek asked me when I was going to cut the hedges and it will be just after Christmas.

Thanks again for prompt payments.

Merry Christmas:)

Dear Mark

You have done a grand job this year and I hope that you will continue next year.

Can you give me a price for maintenance for 2023 and also for any other work that you think should be done.
