

PROPOSED TEMPORARY CLOSURE OF STATION ROAD, STALBRIDGE

I have received an application from The Electricity Network Company Limited to close Station Road, Stalbridge between Station Road Industrial Estate and Shipney Lane (in both directions), a distance of approximately 460 metres. The closure has been requested to provide The Electricity Network Company Limited install utility infrastructure related to new development. These works are programmed to commence from 13th April 2026 until 8th May 2026.

The Electricity Network Company Limited will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Tom Faulkner, (trafficteam@dorsetcouncil.gov.uk) by 30th March 2026.
